

PROFILE

My journey in design

I'm a Product Designer (UX/UI) with 3.5 years experience as a UX Designer and 4 years of experience as an Architect, excelling in design thinking and cross-functional collaboration.

As a Senior UX Designer at Adani Digital Labs, I work on user-centric digital product experiences, leveraging my unique blend of architecture and UX design for Innovative solutions. Ideal for roles demanding innovation and design strategy thinking.

EDUCATION

Designerrs Academy /
Spatial (Augmented reality)
UX/UI design

March 2023 - July 2023, Delhi

- A four months bootcamp UX/UI for Spatial (augmented reality) certification
- Created an application utilising Augmented Reality to assist users in managing their vehicle maintenance efficiently
